4 Graded Work

Click on Graded Work to access all graded assessments, assignments, and independent practice. You can see how you did on a specific activity by clicking the "View" button. For areas where you scored less than 80%, you can access additional practice to work towards mastery.

5 Study Plan

Study Plan allows you to work on videos and questions based on the subject and standard you've selected. It includes questions, videos and practice tests and individual Progress Reports for the subject.

6 Skills Practice

Skills Practice allows you to review and practice fact fluency and skills in math and reading. You will reinforce practice by racing against another student to answer the question correctly and quickly.

Study Plan

The Study Plan screen of the platform allows you to work on a variety of activities – videos and questions based on the subject and standard you've selected.

1 Learn

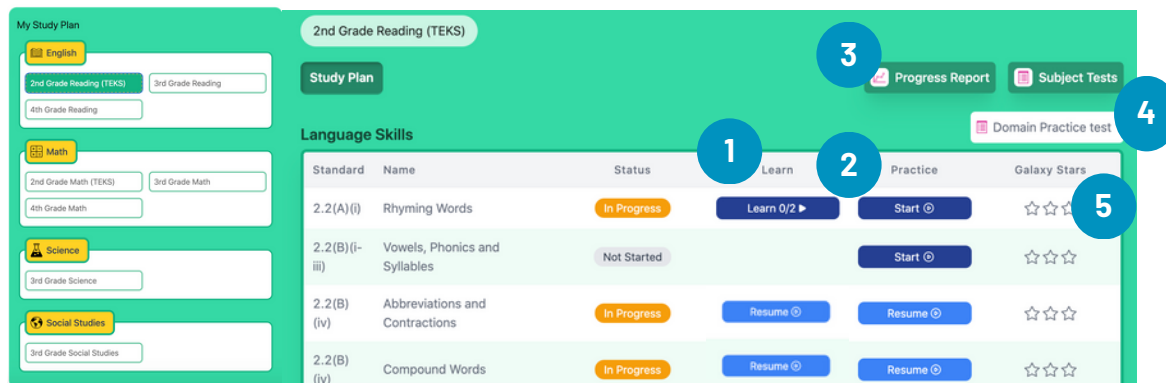

Click on the "Learn" button to watch videos and practice the standard before completing questions in the "Practice."

2 Practice

Choose a specific standard to begin various review activities on your own. In order to complete an activity, you must score 3 Galaxy Stars to earn mastery of the standard.

3 Progress Report

Your Progress Report and Dot Rank data will update with every activity you complete to reflect your mastery of each standard. You can earn a pink, yellow, or green dot. Your dot rank is based on all of the activities you have completed for your teacher and on your own!

4 Subject and Domain Practice Tests

Click on the "Subject Tests" or "Domain Practice Tests" icon to take a subject or domain-specific tests without your teacher assigning them to you.

5 Galaxy Stars

Earn 3 Galaxy Stars to show full mastery for a standard. Earn Galaxy Stars by answering questions correctly in your practice. Galaxy Stars show your hard work and mastery on your standards. Your Galaxy Stars also unlock exciting games, rockets, blasters, and more!

Focus Areas in your Study Plan

Your Focus Area in your Study Plan is calculated by all the activities completed from assignments, the Study Plan Practice, and assessments.

Any standard that is 'yellow' means Approaching Mastery, while any standard that is 'pink' means Critical Need for Study.

Diagnostics will no longer be required in order to generate results to create a learning path for students. Any standards where 2 or more questions have been answered will be included for students.
